

Donald B. Goodall Collection (GOO.001.001) Audio Video Item Level Inventory

Transcribed from documents compiled by Heather Cleary and Necia Gelker in May and July 2002.

Additional revisions, corrections and additions were made by Allison Wall in 2023.

Descriptions are from item labels, items were not played.

Item Number = arbitrary number assigned by HC and NG or revised and assigned by Oliver Opie in June 2022

Title = caption on side of tape; blank means no title given

Side A or 1 / Side B or 2 = information written on card and/or on tape; letter or number taken from tape.

For items that are not cassette tapes, the source of the information is in **bold** at the beginning of the transcription.

Processor comments bracketed [].

Item Number	Format	Title	Side A or 1	Side B or 2	Date
